

DRINKS LIST

A CELESTIAL JOURNEY THROUGH COCKTAILS

At SHIKHAR, we invite you to ascend into a realm where flavour, tradition, and innovation converge. Inspired by the stars above, each cocktail in our menu is named after a Nakshatra – the ancient constellations of the Indian sky – paying homage to the rich cultural and cosmic heritage of the Indian sub-continent.

Our passion lies in creating unforgettable experiences through taste. With carefully curated ingredients and bold techniques – from infusions and reductions to foams and smoked elements – we bring the diverse flavours of India to your glass in truly imaginative ways. Each sip is designed to transport you, offering a journey of the senses without ever leaving your seat.

Our team of expert mixologists has meticulously crafted each cocktail, but we warmly welcome you to make it your own.

Please don't hesitate to request modifications – our goal is to serve you the perfect drink, every time.

For those who prefer timeless classics, our bartenders are more than happy to prepare them upon request.

Raise your glass to the stars – and let the journey begin.
